

# 89001-CL Classic Cabinets

## Information

# Sure-Grip® EX Classic Safety Cabinets for Flammables

### Product Description

Protect workers, reduce fire risks, and improve productivity by storing flammable fuels and chemicals in code-compliant safety cabinets. Designed to meet OSHA and NFPA 30 standards, Sure-Grip® EX cabinets are constructed of sturdy 1 mm thick double-wall, welded steel with 38 mm of insulating air space for fire resistance. High-performance, self-latching doors close easily and securely for maximum protection under fire conditions. Fail-safe closing mechanism ensures three-point stainless steel bullet latching system works every time.

For added security, U-Loc™ handle comes with a cylinder lock and key

set or accepts an optional padlock. Haz-Alert™ reflective warning labels are highly visible under fire conditions or during power outages when illuminated with a flashlight.

Patented SpillSlope® galvanized steel shelves direct spills to back and bottom of a 51 mm leakproof bottom sump. They adjust to 76 mm centres for versatile storage. Cabinets also feature dual vents with flame arresters, four adjustable self-levelling feet, grounding connector and trilingual warning label. Durable lead-free epoxy/polyester powder-coat finish provides excellent chemical resistance.

These cabinets are FM-approved and come with a ten-year warranty.

**Available in manual close or self-close.**

**Available in grey or red on request.**

## Product Features

- Constructed of sturdy 1 mm thick double-wall, welded steel
- High-performance, self-latching doors close easily and securely for maximum protection under fire conditions
- U-Loc™ handle comes with a cylinder lock and key set or accepts an optional padlock
- Haz-Alert™ reflective warning labels are highly visible under fire conditions.
- Patented SpillSlope® galvanized steel shelves direct spills to back and bottom of a leakproof sump
- Designed to meet OSHA and NFPA 30 standards
- FM-approved and come with a ten-year warranty

| Art. no.   | Sizes                                       | Weight   |
|------------|---|----------|
